Systems and P

Design Systems by combining the best
and frameworks but generating Web
arty component model. Stencil-built Web
ern browsers and popular frontend
free from framework-churn.

t generation of [Ionic Framework](#), one of
rce Design Systems in the world.

- ✓ Framework-free
- ✓ Asynchronous rendering pipeline
- ✓ One-way data binding

```

Faster & smaller runtime

- JIT friendly runtime
- Async scheduler
- Native async/await
- Constructible Stylesheets
